God of power full of mercy  
Slow to anger You're a mystery  
Who is like you befriending enemies  
Oh Your favor, how did grace find me?

It's your goodness, it's your kindness  
It takes my breath, it takes my breath away

## Verse 2:

In the shaking, in the fire  
Every idol will be cast away  
In your mercy you expose me  
In full surrender so I clearly see

## Chorus:

It's your goodness, it's your kindness  
It takes my breath, it takes my breath away

## Bridge:

Praise and glory, strength and honor  
Wealth and pow'r be yours forever  
How can it be, Your love for me

## Chorus:

It's your goodness, it's your kindness  
It takes my breath, it takes my breath away
